Acadiana Security Plus is Locally Owned, Locally Monitored and Locally Serviced and is located in Broussard, Louisiana.

FRAUD ALERT!

You may be solicited by competitors of Acadiana Security Plus who will make false claims in order to convince you to sign another Monitoring Agreement.

This fraudulent conduct has occurred more frequently in the last two years and predominately takes place during the fair weather months of spring, summer and fall. Some of the false claims reported by ASP include:

- They claim to represent the manufacturer of your security equipment - **FALSE**
- They claim your security system is not being monitored or is in disrepair - **FALSE**
- They claim ASP sent them to inspect, adjust or replace your security system - **FALSE**
- They claim ASP was sold to the company they represent - **FALSE**
- They claim ASP is out of business - **FALSE**

FRAUD ALERT!

How do I protect myself?

1. If you are solicited or approached by anyone asking you to sign another Monitoring Agreement, please contact Acadiana Security Plus at **337-839-1880**.
2. You may help ensure the integrity of your security system by disallowing access to you Acadiana Security Plus system to anyone except a qualified ASP technician.
3. Don't be lured by promises of cheaper, more elaborate equipment or discounted rates. The goal of these unscrupulous operators is to convince you to sign another Monitoring Agreement. If you sign their Monitoring Agreement, you may subsequently begin to receive two monthly bills - one from ASP and one from the other company.

If you would like a security check-up to test your security system and find out about new technologies, including *NO LAND LINE NEEDED SYSTEMS*, or to supplement your existing system, please contact ASP at **337-839-1880**. Please have your password ready.
